

Dear friend,

Thank you for your interest in North River Christian Academy! NRCA, a non-profit ministry of Open Door Baptist Church, exists to be a positive influence in our community by endeavoring to train students to glorify God in all they do. We believe that students who are seeking to live for God will not only bring praise to their Creator, but they will also be outstanding citizens in their community, and exemplary role models for the next generation. We also believe that in order to glorify God, one must develop a personal relationship with Jesus Christ. We seek to do this through Bible classes designed for every age level, and our weekly chapel services where students are challenged to know Christ and walk daily with the Lord. Students are encouraged to love each other as Christ loves us, and to be active in a Bible-preaching church.

In addition to the special emphasis on Christ and the Bible, there is also a strong emphasis to excel academically. Students are challenged to excel in all academic areas so that they will be ready for the opportunities that the Lord places in their lives. We encourage our students to be successful academically while also being well-rounded in sports and the fine arts. Over the years, many of our students have received prestigious scholarships to various institutions of higher learning, and have gone on to excel in a variety of professional careers.

As families seek to place their children in our academy, many are confronted with the expense of sending one or more children to a non-government funded institution. It is difficult when we have to turn many well-deserving students away because of the lack of funding. Financial assistance is available on a limited basis; however, so many more lives could be positively and eternally impacted with additional funding. We are asking you to consider becoming a benefactor of NRCA as we endeavor to provide quality Christian education to our students.

If you desire to help students by contributing to an institution that truly cares about the individual and is impacting lives one-by-one to become God-fearing, well-educated citizens in our community, then please consider North River Christian Academy. I want to thank you in advance for your interest in educating our youth for generations to come. Your commitment will make a difference in a student's life.
