Mission Statement

Equipping students to glorify God in all they do.

In order to accomplish this, it is our goal to provide the highest standards in educational excellence with an emphasis on Christian academic, athletic, emotional, and spiritual growth for every student. The educational process is dependent upon a philosophy that all truth begins and ends with God. We believe the concepts foundational to this viewpoint are:

- God is the Creator, the Sustainer, of all things and the source of truth.
- God maintains control over His entire universe.
- True meanings and values can be ascertained only in the light of His person, purpose, and work.
- Since all truth extends from God and the person of Christ, all truth must be obtained from a Christ-centered position.

Statement of Philosophy

We, at North River Christian Academy, fully trusting the power of God, have set ourselves to the task of teaching students that, in life, they must seek a proper relationship with God. This teaching is concerned not only with the counsels of God revealed in His Word, but also the counsels revealed in His world. We desire to teach ALL truth is God's truth and Jesus Christ is central in all truth, not only in the Word, but in history, geography, mathematics, science, language, music, the arts, and ultimately in the universe.

“But to us there is one God, the Father, of whom are all things, and we in Him: and one Lord Jesus Christ, by whom are all things, and we by Him.” (I Corinthians 8:6)

“For by Him were all things created, that are in Heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by Him, and for Him: and He is before all things and by Him all things consist.” (Colossians 1:16-17)

Statement of Objectives

Equipping students to glorify God in all they do.

- To so effectively teach, that each student will take as his personal commitment and belief that Jesus Christ is the Son of God and that His death and resurrection provide forgiveness of sin and new life through faith in Him. (John 3:16; John 3:36)
- To create in each student a firm conviction that the Bible is the Word of God to men, and that it is a practical guide to life and living. (II Timothy 3:16; II Peter 1:20-21)
- To develop within each student a keen understanding of the fundamentals of God's creation, including all of the academic studies; to cause within his thinking an understanding that Jesus Christ is central in all of these areas; and to instruct him thoroughly in the arts and sciences that he might develop to the glory of God, spiritually, socially, mentally, and physically, not in his natural energy, but through new life in Christ. (II Timothy 3:16-17; Colossians 1:19)
- To so effectively teach the principles of faith that each student will purpose to yield himself completely to God in submission and obedience to His will as revealed in the Bible. (II Peter 1:3; Philippians 2:5)
- To cause each student to progress in Christian living through fellowship and praise with the Lord Jesus Christ in studying the Holy Scriptures, through prayer and through Christian service activities. (II Timothy 2:25; Ephesians 6:18)
- To develop in teachers the practice of applying scriptural principles in the disciplining of students. (Philippians 2:3; Hebrews 13:17)
- To cause each student to work effectively with perseverance both independently and cooperatively. (II Corinthians 5:20; Philippians 2:1-4)
- To develop within each student an understanding of how to think and apply himself. (Hebrews 5:14; Romans 12:2)
- To develop within each student an effective attitude of self-discipline and responsibility. (I Samuel 16:7; Galatians 5:22-23; I Timothy 4:7)
- To cause each student to appreciate and desire wholesome recreation. (I Corinthians 6:19-20)
- To develop in students the proper attitude, ideals, habits, knowledge, and skills necessary in the preparation of life, whether it be post-secondary education or the workplace. (Romans 12:4-6; II Timothy 6:17-19)

To give the student the kind of experiences that will help him to face life with courage and understanding, and to help him experience a living faith in God that will make him a credit to Christ, his community, his nation, and himself. (Romans 13:1,2,4; Galatians 5:13)

Statement of Faith

1. The Scriptures

The Holy Bible was written by men divinely inspired by the Holy Spirit and is God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

2. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

3. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God and the rejection of one's biological gender is a rejection of the image of God within that person. (Genesis 1:26-27)

4. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Savior, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from repentance of sin and personal faith in Jesus Christ as Lord.

5. God's Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

6. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is coordinating with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people. In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

7. Cooperation

Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

8. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

9. The Family

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption. Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel for sexual expression according to biblical standards, and the means for procreation of the human race. As such God has commanded that any intimate sexual activity outside of a covenant marriage is forbidden. Any other sexual activity, identity or expression that lies outside of this definition, including those that are becoming more accepted in culture and the courts, are sinful perversions of and contradictory to God's natural design and purpose for sexual activity.

North River Christian Academy unashamedly presents the gospel as the Hope of mankind. We will actively seek to win students and their families to a saving knowledge of Jesus Christ. (John 3:36; Romans 1:16)

Special Education Policy

NRCA provides regular and advanced diploma instruction in a regular classroom setting. We do not provide specialized instruction or assistance for students with special learning needs, which includes students with an Individualized Educational Plan (IEP). As with all of our students, we will assist students who attend our school as much as possible with their academic assignments while they are in class, but our assistance is intended for students who are pursuing a regular or advanced high school diploma, and does not meet any of the guidelines for students with special learning needs. Parents of students with an IEP who are enrolled at NRCA must provide all personalized remedial and academic assistance for that student outside of the academic day, and must secure and pay for that assistance on their own. No Special Education services are provided at NRCA other than the regular classroom assistance and regularly scheduled tutoring sessions provided to all students.

Graduation Requirements

It is the desire of this school to provide a course of study that reflects diploma requirements for students graduating from Alabama High Schools. To meet these requirements, we offer two diplomas—the Standard Diploma and the Advanced Diploma. Both diplomas are designed to prepare students for college. The major distinction between the two diplomas is that a student working towards the Advanced Diploma must take at least two (2) advanced level courses, and complete 2 years of a foreign language. Students must register for and take the ACT College Entrance Test before graduation. Seniors must pass all their subjects in order to receive their diploma. A high school senior may not participate in the graduation ceremony with more than a one credit deficiency. All accounts of graduates must be current to participate in graduation.

Advanced Academic Program

NRCA offers an Advanced Academic Program with a more in-depth level of instruction in the areas of English, history, math, and science. All high school students (9-12) that earn a 3.0 yearly GPA average in the previous year's core classes are eligible to enter the Advanced Academic Program. Students are not required to participate in all core classes. They are not required to continue in participation in AAP the following year once they have begun. Students must be enrolled for both semesters of the school year in order to receive AAP credit.

Students in AAP classes will attend regular classes, but will be given additional assignments above the level of expectations in a regular class. Students who participate in and complete the Advanced Academic Program will have advanced courses listed on their transcripts. An A received in an AAP course receives a 5.0, a B receives a 4.0 and so forth.

Grading Procedures/On-Line Grading

Grades are figured on the basis of:

- tests and projects (40%)
- homework and classwork (30%)
- quizzes (30%)

Report cards are published through the *Gradelink* site on a nine week basis with grades being recorded as number grades. Teachers will record grades weekly on *Gradelink*. In order for parents to view their child's grade, an activation code may be picked up in the school office. It is the parent's responsibility to check *Gradelink* and be aware of their child's grades.

Homework

- When a student is absent from school, it is their responsibility to obtain missing assignments upon returning to school.
- If an assignment is given prior to and due on days the student is absent, the assignments will be due the day the student returns to class.
- Classwork, homework, tests, & quizzes missed during an **excused absence** may be made up for full credit when completed in a timely manner at the discretion of the teacher. Work not made up in a timely manner will receive a zero. It is the student's responsibility to ask the teacher for any missed work.
- Classwork, homework, tests, & quizzes missed during an **unexcused absence** may be made up with a 59% being the highest possible grade earned. Work not made up in a timely manner will receive a zero. It is the student's responsibility to ask the teacher for any missed work.
- Homework not attempted, not turned in, or turned in late will result in a reduced grade.
- Extra-credit work will not be given for students who routinely fail to complete regular assignments.
- Weekly homework grades may be viewed on the web at www.gradelink.com.

Tests, Quizzes, and Semester Exams

All students will be taking tests and quizzes covering their course of study. The consequences for cheating on a test, quiz, homework, or exam are: 5 demerits issued, a detention issued, and a "zero" grade given for the assignment. Cheating on a test may also forfeit academic honors.

Final exams are given at the end of each semester for 7th—12th grade students and will count as twenty percent (20%) of the final semester grade. Students must remain in the classroom during the entire examination period. All 7th-12th grade students must take first semester exams. Students (grades 9th-12th) with a 95% semester average or above in a given subject and no suspensions will be exempt from that second semester final exam. Students (grades 9th-12th) with a 90% semester average or above in a given subject AND 3 or fewer class absences and no suspensions will be exempt from that second semester final exam.

Report Cards

- Report cards will be sent home at the end of each nine-week grading period.
- Report cards will be published to the student's Gradelink page.
- Report cards will be sent home on the Wednesday after the nine-week grading period ends and do not need to be returned.
- The final report card will be published on Gradelink the week after school is out for the summer. Final report cards and student records will be held by the office for students who do not have a current account.

Parent/Teacher Conferences—Oct 15th, Jan 14th, Mar 25th 4:30-6:30

Conference dates are held at the end of the first, second, and third 9-week grading periods. Teachers will be available to talk to parents in their classrooms from 4:30pm—6:30pm. No appointment is necessary.

Promotion/Retention Guidelines

All students will be promoted to the next higher grade upon satisfactory completion of requirements for their current grade. Students who are failing will be required to go to summer school or be retained. The following are the guidelines and requirements concerning promotion, retention, and credit classification:

Grade Kindergarten

Kindergarten students may be retained only upon approval/agreement of the student's parents or guardian.

Grades 1-6

The following subjects are considered core subjects for grades 1-6: math, language, and reading.

Students failing two or more core subjects will not be promoted to the next grade level.

If one core subject is failed, the student may be promoted only if the student attends summer school or works with a school approved tutor and passes the core subject during the summer.

Grades 7-8

The following subjects are considered core subjects for grades 7-8: math, English, history, and science.

Students failing both math and English or more than two core subjects will not be promoted to the next grade level. In order to be promoted the student must attend and pass summer school or work with a school approved tutor and pass the core subjects during the summer.

Grades 9-12

The following subjects are considered core subjects for grades 9-12: math, English, history, and science.

To qualify for promotion, students must earn at least 6 credits per year (4 must be core subjects).

High school credits are awarded on a yearly basis. For each successful year completed, one (1) unit of credit will be issued.

No more than 2 credits may be made up in summer school (9th-11th grade)

Seniors must pass all their subjects in order to receive their diploma. A high school senior may not participate in the graduation ceremony with more than a one credit deficiency.

Sports Eligibility Requirements

To be eligible to play sports, a student must be enrolled with the school office and have all paperwork completed.

A student must have passed the previous academic year and have been promoted to their current grade level.

While in that new grade level, students must pass at least three of the four core subjects the first semester to be eligible to play sports the second semester. Core subjects are English, history, math, and science. Students are required to be enrolled in a Bible class each semester.

Students who are involved in athletics will not be allowed to participate in a game and/or practice that day if they arrive to school after 10:30 a.m.

Student athletes for NRCA must maintain a passing grade in every subject during the course of the semester in order to participate in sporting activities (games and/or traveling with team). The administration makes the final determination on sports eligibility.

Attendance

Regular attendance and being on time to school is a vital ingredient for success at North River Christian Academy. Sometimes circumstances beyond your control prevent this from happening. If a student is absent from school for any reason, the parent must either write a note or e-mail the school secretary explaining the reason for the absence. This excuse is to be given to the office on the day that the student returns to school. The office will determine if the absence is excused or unexcused. If the office does not receive the written excuse or an e-mail within three (3) days of the absence, the absence will automatically be unexcused.

Any absence after the tenth absence in a semester must be accompanied by a doctor's note to be considered excused. After **fifteen absences in a semester** a student may be required to withdraw from NRCA. Students in grades 9-12 having more than fifteen absences in **any class in a semester** will not receive credit for that class. Any student who arrives to school after 10:30 a.m. or leaves before 10:30 a.m. is considered absent for the day.

Excused Absences

Excused absences will be given for the following:

- Illness
 - Doctor or dental appointments
 - Death in the immediate family
 - College visits
 - Legal requirements – such as subpoena or required court appearance
 - Pre-approved absences (if approved by administrator)
1. Classwork, homework, tests, and quizzes missed during an **excused absence** may be made up for full credit when completed in a timely manner at the discretion of the teacher. Work not made up in a timely manner will receive a zero. It is the student's responsibility to ask the teacher for any missed work.
 2. Homework due on the day of the absence must be turned in the next day back to class to receive full credit.

Unexcused Absences

- Unexcused absences are given for any reason other than those listed under “Excused Absences.”
- Classwork, homework, tests, and quizzes missed during an **unexcused absence** may be made up with a 59% being the highest possible grade earned. Work not made up in a timely manner will receive a zero. It is the student's responsibility to ask the teacher for any missed work.
- Students who are sent home to correct a dress code offense are unexcused from classes missed.

Pre-Approved Absences

Absences normally considered unexcused are sometimes permitted. Some examples of these types of absences would be: driver's license, mission trip, or educational trip. The procedure for obtaining permission is as follows.

- A request for a pre-approved absence should be made by the parent in the form of a written note, personal visit, or telephone call to the school office at least one day in advance.
- If the absence is approved by the administrator, the student will receive a *Pre-Approved Absence Form* with the administrator's signature on it.
- The student must show this form to each of their teachers and get their signature and any assignments that will be missed.
- Classwork, homework, tests, and quizzes missed during a pre-approved absence may be made up for full credit when completed in a timely manner at the discretion of the teacher. Work not made up in a timely manner will receive a zero. It is the student's responsibility to ask the teacher for any missed work.
- Pre-approved absences will not be granted to students with failing grades.

Tardiness to School (K5-12th)

Good attendance and being on time to school is essential for good learning. Sometimes events beyond our control cause us to be late. However for most individuals, being late is a bad habit pattern caused by poor planning and lack of self-discipline. Therefore the following policies are instituted concerning tardiness to school:

- After the seventh tardy during a 9-week grading period, a \$5.00 tardy fee will be added to each student's bill for every subsequent tardy during the 9-week period. After the fifteenth tardy during a 9-week grading period, the student will be re-evaluated for enrollment at NRCA.
- Medical appointments are not included in the tardy penalty and must be accompanied by a note from the doctor/dentist. All other excuses fall under the tardy penalty.
- The first bell rings at 7:50 for students to report to class. The tardy bell rings at 7:55.
- Students who arrive to school after the 7:55 a.m. bell are considered tardy and must report to the school office to receive a Tardy Slip. Failure to report to the office will result in an unexcused absence for the day.
- Students who are involved in athletics will not be allowed to participate in a game and/or practice that day if they arrive to school after 10:30 a.m.

Class Absences (7th—12th grade)

A student who arrives more than 15 minutes after the class period starts or leaves 15 minutes before the class period ends will be considered absent from that class. Students in grades 9-12 having more than fifteen absences in **any class in a semester** will not receive credit for that class.

Early Dismissals

Parents and students are requested to adhere to the following procedure for an early dismissal from school:

- Upon arrival to school, the student must bring a signed note from the parent to the school office requesting an early dismissal.
- Parents are to come to the office, and not to the classroom, to pick up the student.
- All students (or a parent for a student) must sign out on the *Early Dismissal Sheet* in the school office.
- Student drivers may not check out early without written permission or a phone call from the parent.

Financial Policies

Registration

The registration fee is a non-refundable annual payment. Registration for the new year begins during the month of January. Registration rates range from \$100-\$200 depending on the date of registration. The earlier a student registers, the lower the registration rate. All new students to the school may register at the \$100 rate regardless of the date.

Fees

Each student (K5-12th, \$100 and K4, \$60) is charged an annual fee to cover Gradelink fees, calling tree fees, student standardized testing (SAT) and scoring, and ACSI, SACS, and AISA student association dues. This fee also covers one yearbook per student. K4, K5, and seniors are also charged a graduation fee. All accounts of graduates must be current to participate in graduation. Students who are involved in the sports program will be charged a fee for each sport played. Sports fees are \$100 for each sport played. Spirit packs are an additional fee.

Books

Each student (K4-12th) must rent their books from the school. There is a one time non-refundable book fee due at the beginning of the year that ranges between \$125-\$250 depending on the grade of the student. The books are owned by the school and are rented by the student. Non-consumable books must be returned to the school in usable condition (except books issued in "fair" condition) or a replacement fee will be charged.

Tuition

Tuition may be paid in one of the following ways:

- Annually - Tuition is paid in one payment for the entire year and must be paid by June 1st. This is a 3% savings.
- Monthly – (not available for K4) Tuition is paid in 12 monthly checks postdated the 1st of each month (June 1st-May 1st). Postdated checks must be given to the financial secretary by June 1st. These will be secured and deposited monthly.
- Monthly - Tuition is paid in 10 monthly checks postdated the 1st of each month (August 1st-May 1st). Postdated checks must be given to the financial secretary by August 1st. These will be secured and deposited monthly.
- Credit Card - This option is available through the student's Gradelink account. Tuition is paid in 10 monthly charges and is due on the 1st of each month (August 1st—May 1st). A service charge may be added to the transaction.

Fundraising

To meet the anticipated capital improvement needs of the school, \$300 per family (K4-12th) will need to be fundraised. For the 2018-2019 school year, each family will be offered the option to participate in fundraisers to pay off the costs without any cash outlay to the family or pay an additional \$30 per month tuition if you choose not to participate in fundraisers. Earnings fundraised in excess of \$300 will reduce the outstanding tuition balance as long as your account remains current and no other discounts apply.

Financial Aid

North River Christian School has a need-based financial aid program. Financial aid forms are available in the financial office. Although any family may apply, families that are currently enrolled at NRCA will be given first preference. All financial information is kept confidential with the financial committee. The financial committee will review each financial aid application and will determine the financial aid received.

Extended Care Program

Free care will be provided 20 minutes before and 20 minutes after school. Miscellaneous

Chapel

Chapel will be held every Wednesday. Students are expected to be on time for chapel and to bring their Bibles.

Fire, Disaster, and Emergency Drills

Fire, disaster, and emergency drills are held periodically during the school year. These are to be taken seriously. Fire escape routes and disaster routes are posted in each room. When the signal is given, all activities should cease and the exits should be made promptly and quietly using the proper procedures.

Insurance

The school has purchased a catastrophic insurance policy to cover all students in the event of any serious injury. The policy provides up to \$5,000,000 of coverage and \$500,000 in the event of disability. This policy does not go into effect until after \$10,000. Therefore, parents must provide proof of insurance or purchase student insurance from the school's carrier. The school will not be responsible for deductibles or for items not covered by your insurance. Supplemental insurance can be purchased to cover deductibles and non-covered expenses.

Lockers

Student lockers are the property of the school and may be checked at any time for cleanliness, safety, or disciplinary reasons. Lockers will be assigned at orientation or on the first day of school. Students are not to exchange locker combinations. No student is permitted access into any other locker. Lockers should be closed and locked before students leave school each day. Students are not permitted to exchange lockers without permission from the administration. Personal belongings must be inside the locker or carried to class. Personal belongings not taken to class or put in a locker will be placed in the lost and found. Do not leave anything valuable in the PE locker rooms. Students should use their personal locker to secure valuable items.

Lost and Found

Students may check in the front stairwell closet for any lost items. Because of the quantity received, lost and found items are only held for one month before being donated to charity. Students need to make sure their names are on all personal belongings to help keep lost and unclaimed items to a minimum.

Lunch

Students may purchase a hot lunch for \$5.00 each day at the school. In addition to the hot lunch program, milk, juice, sodas, chips and other snacks may also be purchased. Parents may send lunch money by check or cash. Lunch money may also be placed on your child's account through your Gradelink account. If you have more than one child buying lunch, each child must bring their own lunch money. Lunch menus will be sent home and posted on the webpage at the beginning of each month. All eating is to be done in the cafeteria or designated areas. Students are expected to maintain proper table manners and to keep the cafeteria neat and clean. Students who arrive tardy and plan to purchase a hot lunch that day need to have their order placed no later than 9:00 a.m. Call the school office between 8:00 a.m. and 9:00 a.m. so your child's lunch may be ordered before their arrival.

Medical Emergencies

North River Christian Academy does not employ a school nurse or a doctor. However, the best possible emergency care will be assured should an accident involve your child. Please be sure that the information on your child's emergency card stays current. If a child is injured or becomes sick while at school, they will be given the best care possible until the parent arrives to take them home or to the doctor.

Medications

All prescription medications are to be turned in to the school office in a container with an original prescription label affixed to the container. Realize it is illegal and unwise to give someone else your prescription medicine. If medicine must be given during the school day, it is best that only the dosage for a week be sent. Do not send the whole supply. No student will be given any internal medication by school personnel without parental permission (this includes aspirin). Only the school office personnel will administer medications.

Illness

Students who are ill must be kept at home. Parents will be expected to pick up children who have a fever (100.5 degrees or higher), who are vomiting, or who show signs of undiagnosed illness (e.g. rash, pink eye, etc.). Students must be fever-free for 24 hours before coming back to school.

School/Financial Office Hours

The school office will be open from 7:30 a.m. to 4:00 p.m. Monday through Friday. The financial office will be open from 8:00 a.m. to 12:00 p.m. Monday through Friday. No student is to be in the school or financial office without sufficient reason. All school business should be taken care of during these hours. Any payments made after 4:00 p.m. may be deposited in the drop slot at the financial office.

School Pictures

Individual pictures are taken of all students in the fall and spring of the school year. The fall pictures will appear in the yearbook. Make-up pictures will be taken approximately one month later if you were not satisfied with your child's portraits. Parents have the option to purchase pictures if they so desire.

An after school sports program for both boys and girls is offered for students in grades 6th-12th. To be eligible to participate in after school sports, see the sports eligibility section of the handbook. Students involved in athletics or extracurricular activities are not allowed to participate in a practice or a game on a day that the student is absent from school. Students who are involved in athletics will not be allowed to participate in a game and/or practice that day if they arrive to school after 10:30 a.m. Once obtaining athletic eligibility at the beginning of the year, student athletes must have a passing grade in at least three out of four core subjects in order to participate in second semester sports. Students participating in summer sports practices/conditioning programs must be a registered student for the next school year.

Visitors

All visitors (including parents & relatives of students) are to report to the school office upon arrival on campus and sign in on the Visitor's Sign-in Sheet. Friends of students who are interested in attending North River Christian Academy are welcome to visit classes. Arrangements are to be made at least one day in advance through the school office. No visitors are to be brought to school without first making arrangements with the administration. All visitors and/or parents helping with any school function must observe school regulations. Parents and visitors are asked to refrain from smoking in the building, on the school grounds, or at any school function. Only parents, grandparents, adult siblings, or youth pastors are allowed to visit students for lunch. Please inform the teacher of your intentions prior to the lunch visit.

Withdrawals

Students withdrawing from school must have their parents contact the school office before leaving. Parents will be required to complete a Withdrawal Form before records can be transferred. Students having attended one day or more of any month will owe the full month's tuition. All books, supplies and materials belonging to the school must be returned before records can be released. Records cannot be transferred until the student's account is paid in full.

Yearbook

The school yearbook is published annually. Yearbooks will be distributed at the beginning of the next school year. Each family that re-enrolls their K4-12th grade student for the next school year will receive a yearbook from the previous year. Additional copies may be purchased based on availability.

Student Conduct

Statement of Cooperation

Attendance at North River Christian Academy is a privilege. While enrolled at NRCA, students must realize that they represent this institution both on and off campus. It is the student's responsibility to ensure their thoughts and actions are in harmony with the objectives of the academy. If the administration determines that a student or parent is not in harmony with the mission of the academy, the student may be required to withdraw or will not be permitted to reenroll for the following school year. At the end of each year, every student's academic and discipline record will be evaluated by the administration to determine eligibility for reenrollment.

Elementary Discipline

Students in grades K4-6th will be under the discipline of their classroom teacher. Teachers will use proven methods of discipline for classroom control such as red light/green light, time out, loss of PE, phone call to parent, loss of rewards and/or privileges, etc. If the student continues a pattern of misbehavior that is not conducive to learning, the parent will be contacted by the administration to correct the problem. As an incentive for good behavior at the 1st-3rd grade level, students have the opportunity to earn an invitation to a quarterly *Good Behavior Party* and 4th-6th grade students have the opportunity to earn a free *Good Behavior Reward Trip* each quarter.

Junior/Senior High Discipline

It is the policy of NRCA that possession or use of illegal drugs or any suspicious substance is grounds for dismissal of a current student or denial of admission for an applicant. NRCA reserves the right to use medical professionals to test students for the presence of illegal drugs, whether based on suspicion or at random.

Demerits

It is our desire at NRCA to instill in our students the responsibility and work ethic that characterizes Christ-like behavior. Discipline for the junior/senior high is based on a demerit system. Detention

After School Detention is held from 3:15 to 4:15 and is a work detail detention.

Web Pages

Any student who creates a webpage (Facebook, Snapchat, Instagram, etc.) must make sure that the material placed on that page is appropriate to the mission and purpose of NRCA. Any material on a student's webpage that is considered inappropriate for a student who is representing NRCA will subject that student to disciplinary action.

Cell Phones

Students in elementary grades are not permitted to have their cell phone during the school day. Elementary student cell phones will be collected during homeroom and stored in the school office until 3:00 dismissal.

Students in junior or senior high school are not permitted to have their cell phone during class. Junior or senior high student cell phones are to be turned off and placed in the designated pocket chart upon entering each class. An infraction of this rule will result in 10 demerits, an ISS, and a \$20 retrieval fee (1st time offense) or \$50 retrieval fee (2nd time offense). Cell phones are to remain face down on the student's desk during morning homeroom exercises.

During the hours of 7:50-3:00, ear buds are only allowed in use in the gym. During these hours, they are not to be seen (or worn around the neck). Improper use of ear buds will result in them begin taken away for the rest of the day.

Suspension

A parent-principal conference or phone call will be held prior to a suspension. The principal may choose to require the student to serve the suspension in-school or out-of-school. In-school suspensions consist of work detail with the maintenance personnel. Homework, classwork, and tests missed during any suspension may be completed in a timely manner at the discretion of the teacher for regular credit. However, a zero (0) will be averaged into the student's grade for every class missed due to the suspension. It is the student's responsibility to arrange make-up work times with the teacher. Suspended students will not be permitted to attend any school functions (including sports events) while suspended. "Out of school" suspended students are not permitted on school property unless permission has been granted by the administration and they are accompanied by a parent. Suspensions are recorded on permanent records.

Expulsion

Dismissals will be done in counsel, with the final decision being made by the administration and school board. When students are expelled, they will not be considered for re-enrollment until they have been out of North River Christian Academy one full semester with a good citizenship record. Expelled students are not permitted on campus at any time, or attend any school functions. Expulsions will be recorded on permanent records. Any student who has been expelled from another school will not be eligible for enrollment at North River Christian Academy until they are eligible for enrollment at the school from which they were expelled.

North River Christian Academy is a co-educational ministry operating on the philosophy that it is good for boys and girls to develop wholesome relationships with many individuals of both sexes. These relationships, however, should be on a friendship basis only.
